

**Banana Leaf - Abaca Bark - Acacia Wood - Banana Plant Fibers - Bronze Finish - Aluminum Finish**

Abaca Elonga 1AB65  
16.25"W x 26.25"H

*Made with Eco friendly materials these unique hand-made planters are a one of a kind! These planters are made from natural abaca bark a close relative of the banana tree. Once cured the bark is sized and carefully placed around the pot and then covered in several layers of resin for durability and a beautiful shine. With a modern simple design these Abaca Planters go perfectly with any contemporary or traditional room or space. As seen below these planters are available in various styles and sizes.*

**Banana Leaf Classic 5BA81**  
20"W x 31.75"H

**Banana Leaf Classic 4BA61**  
15.5"W x 24.25"H

*These planters are made with hand picked banana leaves. The leaves are carefully selected and then are cut to size, cured, and ironed on piece by piece. The leaves are coated with several layers of resin creating a long lasting finish. Use these planters as a stand-alone showpiece or add your favorite indoor plants.*

**Wood Overlap Elonga  
1W065  
17.25"W x 26.5"H**

*The Wood Overlap is an art piece within itself. Hundreds of small pieces of acacia wood are placed in an overlap design which brings these planters to life. The flame design and varied colored shades give these containers a warm and inviting feeling.*

**Natural Weave 4WE61**  
**15.5"W x 24.25"H**

*These Natural Weave planters start out by extracting the natural fibers of the banana tree. These fibers are cured and then hand woven into long continuous strands. The strands are then wound around the fiberglass core giving the planter a stunning rustic look.*

**Natural Weave 16WE15**  
**8.5"W x 7"H**

**Natural Weave 17WE20**  
**10.25"W x 8"H**

*Our metal collection boasts real bronze and aluminum coatings. For a more contemporary and sophisticated look add these pieces to any home or office setting.*
